Dear Nick

Re: Whitfield Nash Estate Agents

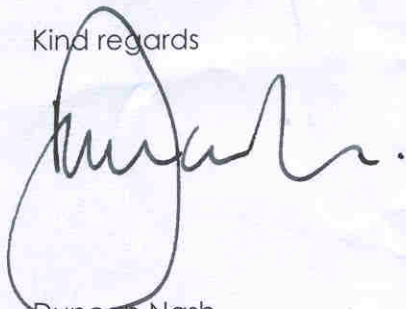

I would just like to take this opportunity to thank you for your hard and creative work in helping to plan and design our new office in George Street, Bath. As you will no doubt remember the remit was to create a "Coffee bar" type feel to our office, which I believe you achieved very successfully.

Along with this I was particularly struck by your attention to detail and your genuine interest in Jim's and my venture. You were also able to work within a timeline and to a budget, which is also a credit to yourself.

For your information, we have not had one person who has said they do not like the new office, in fact many marvel at how upmarket and professional it looks.

Thank you, it was a pleasure working with you.

Kind regards
